Books on Development Economics: General Texts

Oxford University Press is a department of the University of Oxford. It furthers the University's objective of excellence in research, scholarship, and education by publishing worldwide

Home [india.oup.com]

Development Economics does precisely that in a clear, rigorous, and elegant fashion. Debraj Ray, one of the most accomplished theorists in development economics today, presents in this book a synthesis of recent and older literature in the field and raises important questions that will help to set the agenda for future research.

Ray, D.: Development Economics (Hardcover and Ebook)

Some empirical application of public policies and associated research findings will make it more interesting. I highly recommend that students and teachers of economic development and agricultural policy and trade give Prasad's Agriculture and Rural Development in India Since 1947 full consideration as a supplementary textbook.
